About Elder Law Associates PA

Elder Law Associates PA is a boutique elder law firm that practices exclusively in Medicaid and long term care planning including long term care insurance, Medicaid applications, home and community-based Medicaid waiver services, diversion program benefits, nursing home benefits, spousal refusal applications, and Medicaid fair hearings and appeals; nursing home and assisted living facility residents' rights litigation; asset preservation planning with a special focus on planning in light of the Deficit Reduction Act of 2005, including personal service agreements, the purchase of life estates, income producing real estate and spenddown planning; disability planning, including special needs trusts and guardianship; estate planning, including wills and trusts and advance directives; and probate, which encompasses estate and trust administration as well as litigation.

We assist clients in planning for the possibility of disability, incapacity, home health care, assisted living and/or nursing home placement. Our firm enables clients to avoid impoverishment caused by the escalating cost of long term care, to maintain their right to make health care decisions and to avoid unnecessary medical treatment.
